OUR NEW LOCATION

We have moved our setting to 'Fun & Play' nursery in JBR Sadaf 2 – Plaza Level – Unit P31. Our new location is 100m (30 second walk) from our old location.

OUR EARLY YEARS EDUCATIONAL PROGRAMME (EYEP)

We offer our Early Years Educational Programme (EYEP); our aim is to give each child the best possible care and to ensure they develop in all key areas. Our staff observe and listen to their 'key child' on a daily basis, in order to develop your children's key skills including intellectual, social, physical and emotional dexterity. We have taken special care in the appearance of our setting, concentrating on what will stimulate your children and encourage them to learn. Fun & Play is run in a very intimate setting, where we maintain excellent relationships with parents and children alike.

The Early Years Foundation Stage was introduced to enable all childcare facilities to offer the best support to each child. Fun & Play supports the EYFS principles and believes strongly in what they represent. The EYFS allows children to learn freely and build confidence.

Thus, each child is treated as an individual and we work closely with parents in order to address the needs of every individual child. We will provide a timetable so that all parents have the opportunity to come into our classrooms and take part in our learning programme. We are open to ideas and feedback from parents about our setting.

THE EARLY YEARS FOUNDATION STAGE CURRICULUM (EYFS)

In our EYEP and our whole environment we promote the use of the Early Years Foundation Stage, which is based around four themes. Each theme is linked to an important principle and each principle is then supported by four commitments: These are:

1. A Unique Child
2. Positive Relationships
3. Enabling Environments
4. Learning and Development

1). A UNIQUE CHILD

Every child is a competent learner from birth, who can be resilient, capable, confident and self assured.

Every area of development “physical, cognitive, linguistic, spiritual, social and emotional “is equally important. The diversity of individuals and communities is valued and respected. Our staff ensure that each child is kept safe, which means protecting their physical and psychological well-being. Children's health is a vital part of their development, and is supported by the provision of healthy and nutritious meals, high quality hygiene procedures, and attention to healthy patterns of sleep and exercise.

2). POSITIVE RELATIONSHIPS

Children learn to be strong and independent from a base of loving and secure relationships with parents and/or a key person.

Our staff are warm, caring individuals who respect the feelings of children and their families. Each child is assigned a Key Worker who will build a secure attachment with that child, giving reassurance and helping to build independence.

3). ENABLING ENVIRONMENTS

The environment plays a key role in supporting and extending children's development and learning.

Activities and experiences are planned to give achievable challenges. These will take into account each individual, and will flow with each child's needs. A rich and varied environment gives a child the confidence to explore and learn in secure and safe, yet challenging indoor and outdoor spaces.

4). LEARNING AND DEVELOPMENT

Children develop and learn in different ways and at different rates, and all areas of learning and development are equally important and inter-connected.

Our staff along with the early years team work closely with parents to make sure we give your children the best opportunities to develop to their potential using the EYFS planning structure. It shows how best to enable children to feel safe and supported and to extend their learning and development. This area includes the following 6 learning areas:

1. Communication and language;
2. Physical Development;
3. Personal, Social and Emotional Development;
4. Literacy;
5. Mathematics;
6. Understanding the World;
7. Expressive Arts and Design.

All 7 areas together will bring the skills, knowledge and experiences appropriate for babies and children as they grow, learn and develop.

CALENDAR FOR THE ACADEMIC YEAR 2019 – 2020

*Estimated start of Ramadan	Friday 24 th April 2020
Eid al Fitr *expected	Sunday 24 th to Tuesday 26 th May 2020
Term Ends	Thursday 2 nd July 2020

FREQUENTLY ASKED QUESTIONS (F.A.Q.)

Q. When can I visit Fun & Play?

A. You are welcome to come and meet us at any time; we operate an open door policy to parents, however, mornings are always very busy, therefore we do recommend you telephone or email ahead in order to make an appointment beforehand so that we can show you around properly, and ensure there is a teacher available to meet you. If all teachers are teaching, then unfortunately we would have to reschedule your viewing for another time (visits takes approximately 15minutes).

Q. What are the opening days and hours?

A. We are open five days a week from 7.30am until 6pm. (Nursery hours are 8am to 5pm). We aim to be open and accessible to different members of our community for as many hours of the day as possible, therefore if you would like an appointment or need care for your child at any other time, including evenings or weekends, we will do our utmost to arrange this. We run both a breakfast club and an after-hours club subject to availability.

Q. What should my child wear?

A. For our EYEP class we have a simple selection of shorts/skirts and Family and Friends t-shirt, with no buttons, zips or pockets. Although we use paints and glues made especially for children, they do not always wash out, so having an inexpensive uniform is more economical for parents. It is also practical for the children and their teachers, particularly when it comes to potty-training, getting changed for water play and dealing with little accidents. Your child can wear their own skirt or shorts but in our EYEP class t-shirts are a must.

Q. My child is still in nappies: is that okay?

A. Yes, that's fine. When your child is ready to toilet train we will work with you and help you to train him/her.

Q. What do I need to send with my child?

A. Paperwork is: registration forms, passport copy, birth certificate copy, vaccination record copy and four passport-sized photographs

A spare set of old clothes (including underwear) which will be kept in a labelled bag supplied by us.

A packet of nappies and baby wipes (if necessary)

A lunch box (preferably cool-box type) with some snack food and a beaker if required; water is available to the children throughout the day. Please try and send your child to us with healthy and nutritious food. If you'd like some ideas on what to pack please talk to any member of staff they will guide you.

Q. What if my child doesn't settle?

A. We understand that the settling period can be a difficult time for both parents and children. We work on the principle that familiarity encourages trust and confidence in children. The better they know us - the more comfortable they will feel with us. Please see our settling in policy in our policies and procedures.

On the first day we ask parents to come and stay with their child for one hour: to introduce their child to the teacher and to the classroom. The following day you can leave your child with us for one to two hours. Some children cry for a short time when you leave.

After 3 or 4 days we normally find that children can be left for three or four hours quite happily. If your child cries incessantly for twenty minutes we will call you and ask if you can spend some time in the classes, and then go home with your child once he/she is happy.

If your child is registered for 2 or 3 days per week we may ask you to bring him/her in for a few hours each day for the first week. This will help your child to become more familiar with us without getting too tired. Most children settle in well to Fun & Play' caring and nurturing environment.

Q. Will my child go on outings?

A. We arrange outdoor play dates, nature and sound walks, picnics and park visits. supervised by ourselves. An outing permission form must be filled at time of enrolment.

Q. Do you celebrate religious festivals?

A. Yes we do however Fun & Play is a non-denominational setting. We celebrate Eid, Diwali and Christmas in a non-religious way: informing the children of the occasion, making cards and singing non-religious songs.

Q. Do you celebrate children's birthdays?

A. Of course we do. We love fun and special occasions. You are welcome to send a small cake with your child for them to share among their friends. The class will sing "happy birthday" and you can leave your camera with your child's teacher so that they can take photographs. We ask that you try and send food that is easy to share and is nutritious for the children (no nuts please). We will ensure that the celebration does not eat into our lesson plan or daily routine.

Q. What are the security arrangements in Fun & Play?

A. All parents/guardians are requested to walk their child to Fun & Play' door to greet their teacher or assistant. Please inform us if anybody else is picking up your child. We ask you to respect the teacher's class-preparation time; if you need to talk to your child's teacher at length please arrange an appointment. All children must wear a uniform. Doors will be closed and locked from 9am, if you require entry please call us on 0503491601. Family and Friends have multiple procedures in place for safeguarding children and for security purposes.

Q. What is your discipline policy; do you use a 'naughty chair'?

A. No, we absolutely do not use a 'naughty chair'! For very young children we use positive reinforcement of good behaviour and descriptive praise. As the children get older we use 'time out' for repeated disruptive or unacceptable behaviour e.g. pushing, biting, hitting or hair pulling. This is a brief time spent away from fun activities, one minute per year of age, after which they can rejoin the group. We find that the children respond very well to this gentle but firm approach. Positivity towards the children is the key for us here 😊

Q. What if my child is sick?

A. We have no authority to give medicine in the classes; if your child becomes sick during the morning we will contact you and ask you to take him/her home. Pre-school children have a low resistance to infection. If your child has a cold/runny nose/fever/diarrhoea/vomiting or conjunctivitis please do not send him/her to Fun & Play. We recommend you wait 36 hours between sickness and return to the setting. If your child has asthma/diabetes/epilepsy or allergies special arrangements will be made for his/her care and storage of his/her medicine. We kindly request that ALL parents would adhere to our sickness policy to avoid cross infection

Q. When can I talk to my child's teacher?

A. **Family and Friends promotes an open door policy to ensure communication between teachers and parents.** Parents can make an appointment to speak to the teachers any afternoon if they have any concerns or would just like to discuss their child's progress. We can arrange for your child to go to the late class free of charge. Our official 'parent-teacher' talks happen in June, but if the teacher has any concerns about your child before this time, they will invite you in for a meeting.

Q. Is Family and friends a NUT-FREE zone?

A. Family and friends strictly follow a no Nuts policy for within the premises. As we are all aware, unlike many other food allergies, this is one that children do not usually outgrow. If you require any advice or guidance regarding snacks, please feel free to contact any of our teaching staff, and we can send you a list of recommended snacks.

Q. What if I have any other concerns?

A. Fun & Play offers strong parenting support; we take your concerns about your child very seriously and will do what we can to help. You are very welcome to come in to the school office at any time to Joanne. We can offer one-to-one support on behavioural. We realise that choosing the right setting for your child is extremely important, which is why we encourage parents to ask questions, look around and spend time with their child to help them settle in.

Q. There is no parking, how can I drop off my child?

A. Fun & Play are happy to operate a drop-off and pick-up service from the lifts downstairs on the slip road if there is no parking available. Please call us on 0503491601.

Q. How do I enrol my child on to the Early Years Educational Programme:

A. Contact Joanne on +971 50 349 1601 or e-mail jo@funplaynursery.com

FEE SCHEDULE

- TERM FEE SCHEDULE (3 TERMS PER YEAR)
- EARLY YEARS EDUCATIONAL PROGRAMME (EYEP)
- ALL FEES ARE PER TERM
